

Last year, Virginia Police K-9 Association provided food, medication, veterinary services, shelter, and end-of-life services to 21 retired police K9s that faithfully served our communities.

This golf tournament is one of two major fundraising events sponsored annually by VP K-9 Association. Proceeds from the tournament will be used to further our mission.

We rely on the generosity of donors like you to continue assisting these deserving public servants.

Join us for a fun day of golf at one of the area's premier golf courses. If you are unable to attend, please consider making a tax-deductible donation now by scanning the QR code below or visiting our website - www.K9PD.org

Our Mission

Virginia Police K-9 Association, formerly Chesterfield County Police K-9 Association, was founded in 2019 by local community members in partnership with Chesterfield County Police K-9 officers. The Association supports the health and welfare of active and retired police K-9's that serve or have served the Commonwealth of Virginia. We accomplish this mission through the following activities that can only be fulfilled with your generous support.

- Upon retirement, police K-9s are adopted by their human partners who then assume responsibility for all costs related to the retired animal. We help to ensure the health and welfare of retired police K-9s by assisting their adopters with food, veterinary care, medication, shelter and end-of-life costs.
- We help to keep our police K-9s on the cutting edge of excellence by assisting active police K-9 units to procure state of the art training equipment.
- We help to strengthen public relations between the community and our police K-9s through outreach
